### Find the Right Size

We strongly recommend that you get samples to determine your preferred size and fit. If time constraints don't allow for samples, please refer to our sizing guide below.

In between two different sizes? If you like a looser fit, choose the larger size. Do you prefer your athletic wear to fit a bit tighter? Then pick the smaller size.

### Chest Circumference (A)

Wrap the tape measure around the widest part of your chest. Make sure that the tape measure is straight, parallel with the floor and not pulled too tightly.

### Buttocks Circumference (B)

Measure around the widest part of your hips and buttocks. Stand with your feet as wide apart as your hips, and be sure that the tape measure is straight, parallel with the floor, and not pulled too tightly.
